

Mount Saint Agnes Academy

ELEMENTARY SCHOOL (GRADE K-5) Student Handbook

This handbook consists of guidelines that provide a framework for the school's day-to-day operation. The Administration reserves the right to vary these policies so specific problems are treated on an individual basis. The policies are subject to amendment or discontinuation as the need arises. The school will attempt to keep parents informed of all the changes as soon as it is practical. However, some changes must be made to meet unforeseen circumstances.

INTRODUCTION

MISSION STATEMENT

The Mission of Mount Saint Agnes Academy is to provide quality education in a caring, Christian environment. Belief in Christ and fidelity to the Roman Catholic Church form the foundation upon which all academic learning and social interaction take place. To this end we make a strong commitment to recognize each child as an individual and to help him/her to develop according to his/her own potential in order to become a responsible member of the community.

HISTORY

Mount Saint Agnes Academy was founded in 1890 by the Sisters of Charity of St. Vincent de Paul (Halifax) who owned and operated the school until 1975. Since then, Mount Saint Agnes has been owned and operated by the Roman Catholic Diocese of Hamilton, Bermuda assisted by a Board of Governors. Saint Agnes was chosen by the Sisters as the Patroness of the school at the request of the Archbishop of Halifax (Agnes was his mother's name) and this was most appropriate since St. Agnes is the Patroness of youth. The Educational structure of Mount Saint Agnes is primarily based on the North American system. Throughout its long history Mount Saint Agnes has remained dedicated to the principles of Christian education which forms a base for the school's philosophy.

GOALS AND OBJECTIVES

Mount Saint Agnes leads and guides each student to the knowledge and maturity required to assume a position of Catholic Christian leadership by:

- ✓ *Bearing witness, through example, to the message of Jesus, teaching the doctrine of Roman Catholic Faith through providing opportunities for faith experiences, and community service, and promoting the richness, depth and goodness of Catholic moral traditions and values;*
- ✓ *Striving to develop each student's academic, physical, social and aesthetic skills in a happy, safe environment;*
- ✓ *Fostering a Christian community which is sensitive to the needs, dignity and rights of others;*
- ✓ *Fostering a standard of behavior which encourages self-discipline, a positive self-image and sound moral character;*
- ✓ *Strengthening an appreciation of all students' cultures and heritage and inspiring all to make a lifelong commitment to their individual learning;*
- ✓ *Encouraging respect for bodily health and exercise, a joy in team endeavor, and confidence in physical abilities, along with a mature sense of sportsmanship.*

Mount Saint Agnes Academy will continue to keep its traditions alive, and will meet the challenge to make whatever changes are necessary to ensure that it always provides a quality Catholic education. Our success in providing this will be measured not solely by tests and academic achievement but also by the happy, productive lives of our graduates using their faith and talents to contribute to their community.

SPIRITUALITY AND ADHERENCE TO THE CATHOLIC CHURCH

Mount Saint Agnes Academy is a part of the Catholic Diocese of Bermuda and serves as a very visible part of the work of the Catholic Church in our country. All students, Catholic and non-Catholic alike must respect and show courtesy for the work of the Diocese through the ministry of the school. This respect manifests itself in many ways including but not limited to:

- *Full participation of all students in the prayer and the spiritual life of the school.*
- *Respect and good behavior during school liturgies.*
- *Respect for the Blessed Sacrament during liturgies with regards to Catholics.*
- *Receiving Holy Communion.*
- *Full participation in Religion classes.*
- *Participation in service opportunities to the Church, school and community whenever possible.*
- *Respect for all religions by teachers and fellow students and an encouragement for all students to practice their faith and religion so that all our students may grow to be spiritual adults.*

SCHOOL PLEDGE

We pledge allegiance to Mount Saint Agnes Academy and fidelity to its ideals of faith, loyalty and truth. United in a noble cause, one in purpose, one in high resolve, we pledge our influence to uphold throughout the world the principles of Christian education.

SCHOOL SONG

Nil Sine Deo, to learn and then to lead the way.
For courage, loyalty and truth are fostered here the home of youth.
So lift your voice in loud acclaim, for M.S.A. God bless her name.

Chorus For M.S.A., for M.S.A. her standards to uphold we'll fight.
As years roll by, until we die, we'll stand on guard
for the Blue and White.
As years roll by, until we die, we'll stand on guard for the
Blue and White.

Humanities and sciences and sports and class activities
are blended here at M.S.A. to guide our steps to sure success
So let your voice ring clear and true, be loyal to the
White and Blue.

As Juniors come and Seniors go, the torch is passed
and kept aglow. Ideals run high, school spirit strong.
Past grads return to join our song make the joyful
chorus swell to praise the school we love so well.

ST. AGNES

Courageous Teenager Patron Saint of MSA

Long ago there was a beautiful thirteen-year-old girl named Agnes, who was put on trial for being a Christian. At the trial, the judge described the comfortable life she would have if she gave up her faith and married. Agnes said no. The judge threatened her with torture. Agnes still said no. So the judge had her taken to the altar of the goddess Minerva to offer a gift. Agnes made the Sign of the Cross instead. The judge condemned her to death. It was said that she went to her death more cheerfully than others go to their wedding. Agnes knew she would be going straight to God.

How we honor St. Agnes

This saint is one of the best-known early martyrs. Her memory is kept alive in the First Eucharistic Prayer of the Mass. The Roman Emperor Constantine built a church in her honor over her tomb. She is the patron saint of young girls.

Prayer

*St. Agnes, you refused to give up your faith; help us to be proud of our faith,
to love it, to be strong in it, and to give witness to it daily.*

SCHOOL COMMUNICATION

EDLINE

Mount Saint Agnes Academy provides for students, parents and teachers a link on the world wide web to facilitate communication between home and school.

MSA COMINGS AND GOINGS

Each Monday, during the school year a letter will be prepared detailing upcoming events and discussing pertinent issues. It will be available on the web, EdLine, and emailed every Monday. Parents/Guardians may request a printed copy by contacting the school office.

GENERAL SCHOOL GUIDELINES

ATTENDANCE

All students must attend school daily unless excused by their parents or guardians, or by the school. Any student absent from school must have an acceptable explanation. On the day, of the absence the parent or guardian must telephone the school by 8:45 to advise of the student's absence. **All students, Grades K-5, must check into the office before going to homeroom or class if they are late. Grades K – 5 parents may call the office no later than 8:45 a.m. requesting homework. Homework can be picked up at the office after school.**

If there is a special/unavoidable circumstance for which a child misses school, the teachers will do everything that they can to work with the child and family in keeping abreast of school work. **Students missing school for vacations should note that the teacher is under no obligation to provide work in advance for the student.**

EVALUATION

Students in the lower grades are evaluated in many ways, all of which must be age and developmentally appropriate.

Students in Kindergarten are assessed throughout the year and will receive a progress report plus two report cards. Students in Grades 1- 5 will be issued report cards three times a year. Please consult the school calendar for the dates that these report cards will be distributed.

In addition to the regularly scheduled Parent/Teacher meetings, parents may request a conference with a teacher at any time during the school year.

HOMEWORK

The mark of a successful student is one who does homework on a nightly basis. Students will bring a variety of homework tasks home for completion. Many of these are review and reinforcement activities while others are classroom tasks requiring completion. Parents play an integral part in trying to set up a time and quiet place for their children to study and to assist them when needed. The classroom teacher will give guidance on how much homework is needed at each grade level.

One of the most important components to “homework” is reading nightly. This can be done as independent reading for the older children or as shared reading with parent and child. Please take time to talk to your child about what they are reading. These are valuable conversations for both you and your child.

STUDENT CODE OF BEHAVIOR

Good conduct on the part of all students helps to create a safe and fair environment for students, staff, teachers and visitors. In addition, we believe that learning, experiencing and accepting consequences for inappropriate behavior is essential for the social, moral and spiritual development of all students. Various incentives are given by each class teacher to encourage all students to work together to help the class foster a safe and happy environment which is conducive to learning. All classes have an outline of the school rules posted in their classroom for all to see. This code of behavior is an attempt to list the major rules. However, other acts not listed could be disciplined if the act is disruptive to the educational process.

SUPPORT THE SCHOOL

To help keep the “Spirit of MSA” alive we encourage the participation of all alumni, parents, teachers, and students in several different ways through their involvement of school associations.

HOME AND SCHOOL ASSOCIATION

Every year, dedicated volunteers devote countless hours to help the initiatives of the school. Becoming involved is a great way to get to know the school, meet other families, get to know the teachers, and contribute to the well-being of our students. There is a role for everyone to play, regardless of talent or time constraints.

BAZAAR COMMITTEE

The Bazaar, an annual tradition of the school, raises over \$100,000 every year to assist in the operations of the school. This event is by far our leading fundraiser and requires the participation of all parents to be successful.

ALUMNI ASSOCIATION

Be a part of the MSA Spirit! Membership in the Mount Saint Agnes Academy Alumni Association is all about spirit—spirit in MSA and spirit in being connected to some of the greatest people in Bermuda. As we look to reconnect with our many former students, please become an active member in the Alumni Association. It is an easy way to give back to MSA and a way to reconnect with fellow alumni as well as current students of the school. Join other alumni who are working to make a difference.
