Mount Saint Agnes Academy holds “Parade of Costumes”

HALLOWEEN AT MSA

Hamilton, Bermuda: 10.29.2010 ~ Mount Saint Agnes Academy (MSA) today hosted their annual “Parade of Customers” in celebration of this weekend’s Halloween. A tradition for the past twenty years, Elementary students were led by a piper in a merry dance around School gymnasium.

While inclement weather drew the parade indoors, spirits were high and much fun was to be had. Ghosts and goblins, princesses and fruit from Kindergarten through Grade 5 made their way around the gymnasium much to the delight of a large group of parents and friends.

Not to be outdone, High School Students were in full costume, dressed to the theme of “Freaky Friday”, while Middle School Students enjoyed a Halloween Dance in the School Auditorium. Even Faculty and Staff got in the Halloween spirit and dressed in full costume.

“Education need not always be formal and serious,” suggested MSA Principal, Sue Moench. “We want our students to be able to enjoy fellowship and an overall Halloween experience that is not only fun, but within a safe environment. In addition to the various events that we have planned today, baked goods and healthy treats have been provided for everyone’s enjoyment.”

“We wish our entire Mount Saint Agnes Family and the entire Bermuda community a safe and enjoyable Halloween weekend.”

~ ENDS~

ABOUT MOUNT SAINT AGNES ACADEMY:

Founded in 1890, Mount Saint Agnes Academy (MSA) is Bermuda’s only private Catholic School and has played a vital role in the Community since its inception 120 years ago. Offering a K-12 education, its focus is on providing the highest quality of both the formal and humanistic education of its students. MSA has its Preliminary Accreditation Status from Alberta Education and is in its second year of new curriculum implementation. The combination of its internationally recognised curriculum, its foundation in the values and culture of the Catholic Faith and the passion of the School’s entire Faculty, Staff and Board, ultimately result in students who are well educated and often go on to take up leadership roles throughout every sector of Bermuda’s community.
